2. Fold the cardstock and crease with a bonefolder. Apply a small line of liquid glue and fold up to create pocket for gift card.

4. Take the 1" strip crease at score line. Fold over the top of the card holder and wrap around from behind and back up to front to create bellyband. Bellyband should be snug enough to stay on but loose enough to slip off easily. Glue bellyband to itself.
5. Stamp the sentiment onto Whisper White cardstock and punch out with 2" circle punch. Cut a 2-1/8" circle on the Big Shot with the Framelit dies. Adhere the circles together. Use the Stampin' Dimensionals adhere the emblem to the belly band. Embellish with Rhinestones.
